THE GENUINE
Dr. C. McLANE'S
LIVER PILLS

are not recommended as a remedy "for all the ills that flesh is heir to," but in affections of the liver, and in all Bilious Complaints, Dyspepsia, and Sick Headache, or diseases of that character, they stand without a rival.

ACUTE AND FEVER.
No better cathartic can be used in preparation for, or after, febrile action.

As a simple purgative they are unequalled.

BEWARE OF IMITATIONS.
The genuine are never sugar-coated.

Each box has a red wax seal on the lid with the impression, **McLANE'S LIVER PILLS**.

Each wrapper bears the signature of **Dr. C. McLane** and **Dr. J. H. Williams**.

THURSDAY, NOV. 11, 1880.

In an address to the people of this country, the republican national committee says:

"Republicans may be assured that no effort will be spared to overthrow the despotic leaders of the minority, writing under their party's name, will be allowed to trifle with this mighty verdict or prevent the organization of the government on the appointed day by the results men chosen to administer."

We have seen a bad boy provoke a difficulty and get licked. We have seen that boy whine and make faces at the boy who whipped him. We have seen that boy's eyes red and his face streaked by the tears that rolled down his soiled face. And we have heard him through his sobs and tears say the hardest sort of things about his successful antagonist. But such a foolish boy does not render himself more ridiculous than does the correspondent of one of our morning contemporaries yesterday, who writes from Jonesboro under a fictitious signature, and turns loose his billingsgate against a number of gentlemen whom he supposes aided in the election of Maj. A. H. Pettibone. He comes to his work surcharged with venom and falsehood, and through nearly a column of matter displays his skill in handling filth. We think we know him, and those who have encouraged him to write this batch of filth and falsehood dare not give his name, knowing that it would be an all-sufficient answer to any charge that he might make against any one. He is rarely ever sober long enough to write anything, and when he is, he will do whatever is asked in consideration of a little money with which to gratify his beastly appetite.

The talk about reopening the count of the electoral vote in New York is the sheerest nonsense. It is the talk of fools and knaves. No man of ordinary intelligence doubts that the Garfield and Arthur electors have received a majority of the vote of New York. They have been chosen. They will receive their certificates from Gov. Cornell. They

will cast the thirty-five electoral votes of New York for Garfield. They will be inaugurated just as sure as he lives. The overwhelming voice of the American people in all sections of the country decrees it, and that decree will be enforced. John Kelley, Barnum and their corrupt cohorts are powerless to prevent it. The business interests of the country are not going to be disturbed by the reckless manipulations of adventurous, unprincipled politicians. There is no occasion for any excitement over this effort of a little knot of disturbers. They will be sat down upon in the quickest and most effective manner. To the people we say, go on about your business, there is no danger.

TENNESSEE'S DEBT.

The question as to who is responsible for our state debt is not the paramount issue now, but how to settle it promptly, honorably, and in a manner to be the least burdensome to our people is the consideration to which public attention should be directed. But as a matter of history we produce the statistics given below, in a letter written by Hon. Wm. Boston, once a resident of Tennessee, and a member of the Tennessee legislature, to Hon. Horace Maynard. The letter is as follows:

GREENCASTLE, IND., Oct. 14, 1880.

Hon. Horace Maynard:

DEAR SIR: I herewith send the "statistics financial," referred to in our conversation:

The republican party coming into power April, 1865, was confronted with the principal of the state debt, together with the interest, due and unpaid, maturing through the years of the war. The following exhibits the bonded debt of Tennessee as it was on the 31st of December, 1865, properly classified as state debt proper and interest on improvement debt, with statement of accruing interest:

STATE DEBT PROPER.

Bonds issued to turnpike roads..... \$1,228,356.66

Bonds issued to bank of Tennessee..... 1,000,000.00

Bonds issued to state capital..... 658,000.00

Bonds issued to Union bank..... 125,000.00

Bonds issued or stock in E. T. & G. R. R..... 650,000.00

Bonds issued for stock in LaGrange & M. R. R..... 185,250.00

Bonds issued to purchase Hermitage..... 48,000.00

Bonds issued to Agricultural Bureau..... 30,000.00

Interest unpaid to Dec. 31, 1865..... \$3,924,606.66

..... 863,053.00

..... \$4,787,659.66

To this "state debt proper" not one dollar was added during the administration of Gov. Brownlow. The accrued interest was funded on the 1st of January, 1866, by the issuance of bonds as above charged, aggregating \$3,863,053.

Internal improvement bonds issued to the first of January, 1861, in aid of turnpikes and railroads of the state, (the special aid is exhibited in compiler's report, 1865-66).

State bonds appropriated to turnpikes and railroads..... \$14,006,000.00

Interest thereon unpaid to Jan. 1, 1866..... 8,769,537.00

Bonds issued by city of Memphis endorsed by the state..... 350,000.00

Interest due thereon to Jan. 1, 1866..... 105,000.00

..... \$18,230,537.00

To which add aggregate state debt proper..... 4,787,659.66

Bonded debt state of Tennessee principal and interest to Jan. 1, 1866..... \$23,018,196.66

This statement does not include the company bonds of the Nashville & Chattanooga, East Tennessee & Georgia, and East Tennessee & Virginia railroads. These roads took care of them principal and interest.

The "war tax bonds" issued by Governor Harris from April 24, 1862 to August 17th, 1863, for the use of the "military board" aggregated \$7,591,000.00. Their use and history and by whom paid is known to Mr. S. B. Brown, W. G. Harding, Jno. A. Fisher and J. B. Bailey, now senators in congress of the United States.

This statement is made up from carefully collected statistics. It may be further stated that the bonds issued to Jan. 1, 1861, are called "old bonds," and those issued to fund the interest are called "new bonds."

Very truly yours,
W. BOSTON.

HOLMAN'S
PAD.

Cures Without Medicine. Simply by Absorption.

The Only True Malarial Antidote.

Dr. HOLMAN'S PAD is no quack-work remedy-no feeble initiative experiment-no purine hodgepodge of some inventor's ideas-it is the Original and Only Genuine Malarial Pad the only one that has an honesty-acquired right to use the title-word "Pad" in connection with a treatment for chronic diseases of the Stomach, Liver & Gall.

By a recently effected improvement, effected by the addition of vegetable ingredients of newly-discovered remedial value and absorptive and purifying, Dr. HOLMAN has greatly increased the scope of the Pad's usefulness, and appreciably augmented its active curative power.

This great improvement gives HOLMAN'S PAD (with its Adjuvants) complete and unflinching cure for the most persistent and unyielding cases of chronic diseases of the Stomach and Liver, as well as Malarial Blood-Poisoning.

HOLMAN'S PADS have cured—and are daily curing—diseases of so many kinds, that the list is too high to intermarry. It includes Malarial Poison of every type, from Aching Bones and Low Fever to Chills and Bump Ague; stomach diseases, such as Dyspepsia, Indigestion, Sour Stomach, Chronic Diarrhoea, Flatulency, Heartburn, &c.; Liver Disorders, i. e. Biliousness, Bilious Colic, Dangerous Fevers, St. K-Hedache, Pain in the Side, Biliousness, Tumor Liver, &c. Well does this mighty remedy justify the eminent Professor Loomis' high eulogium: "It is a Universal Remedy for EVERYTHING IN MEDICINE."

The success of HOLMAN'S PADS has inspired imitators who offer Pads similar in Form and Order to the Genuine HOLMAN PAD. Beware of these bogus imitations! Insist upon getting only the genuine HOLMAN PAD.

Each Genuine HOLMAN PAD bears the Trade-Mark of the HOLMAN PAD COMPANY, with the above Trade-Mark, printed in green.
